The umpire and/or Tournament Director will resolve the dispute before play resumes. All decisions are final.
11. Coaches are responsible for the behavior of the team and fans. No arguing or poor sportsmanship from players, coaches, parent's, and fan's will be tolerated. Any team violating this rule will be given one (1) warning, upon the second violation the individual(s) will be suspended from the current game and the next upcoming game. A suspended coach, player, parent, or fan will be removed from the entire park.
12. One representative from the team will be allowed to speak to the umpire during the course of the game. If there is a question about a play, please have that representative approach the umpire and ask the question. Umpires being subjected to constant badgering from multiple coaches and/or parents will not be tolerated.
13. Home Team Designation: For Pool Play games, home team designation will be determined by the flip of a coin at the beginning of the game. For pool play games, dugouts are determined on first come first serve basis.

For all Tournament/Championship games, the team with the best seed has choice of either home or away designation. The home team will keep the official book, and the two teams will check the official score at the end of each inning.
14. Grace Period: A 10-minute grace period will be extended after the scheduled start of the game.

If, after 10 minutes the team is unable to play, the game will be forfeited 7-0.

15. Minimum Players to Play: The minimum number of players to start and finish a game is eight (8). There will be an automatic out in the 9th batting position. Each team can field ten (10) players including a pitcher's helper, catcher, four (4) infielders, and four (4) outfielders. Center fielders will play left and right center, not short and deep. If a team is short of players, the team must field a Catcher. All defensive coaches are expected to be in the dugout. Once a team bats through their order the lineup is complete. Therefore if a player arrives after this period he may not bat or field for the team. Defensive substitutions will be allowed during the inning for all lineup players.

16. Complete game: A complete game will consist of six (6) innings, however, if a team is leading by 15 runs (after 4 innings) or 10 (after 5 innings) the game will be called via the Mercy Rule. The Championship game will not have a mercy rule. There is a six (6) run limit per inning for all games, innings 1-5. **The 6th inning only (or extra) is unlimited for all games.**

17. Time Limit: **A one (1) hour thirty (30) minute time limit** is in effect for all games except the Championship game, which will have no time limit. A new inning cannot start after the time limit has expired. The inning shall be completed once started even if time has expired during the inning. Game time will stop (5 minutes max) for any serious injury.

18. Playing Time: All players (except in the case of an injury) must play a minimum of three (3) innings (in a 6 inning game).

19. The members of the Edgewood Baseball Board present at the tournament will decide upon rule questions not discussed within this document.

PITCHING, RUNNING & BATTING RULES

20. You are required to bat your entire roster. However, if one team has fewer batters the opposing team may bat the same number of players. This needs to be documented before the starting of the game. There will be no batting substitutions. If a player misses his batting position the team will be charged with an out each time that position is up to bat. The only exception will be for an injury occurring during the game.

21. The maximum bat size allowed is a **2 ¼" barrel**, no flatten or dented aluminum bats allowed.

22. Bunting is not allowed. If a batter squares to bunt, they will be called out immediately.

23. A batter throwing his/her bat or helmet will be given one (1) team warning. A second offense by any batter will be considered out.

24. If a batter hits the pitch and the ball hits the coach/pitcher, the play will be called dead and the pitch will not count. The batter will resume his/her position at the plate and will continue his/her at bat with the count as it was before the play. Base runners may not advance on the play and must return to the base they occupied before the coach/pitcher being hit.

25. **Each batter will receive a maximum of five (5) pitches or three (3) strikes in order to put the ball in play.** If the fifth (5th), sixth (6) or any subsequent pitch is fouled, the batter gets an additional pitch. No walks.

26. Coaches must pitch overhand from the pitching mound (40 feet). If a coach violates this rule one warning will be given, the next infraction will cause the batter to be called out. Base paths are 55 feet.

27. Only the batter & on deck batter shall be on the field, all other players must remain in the dugout.

28. You may not leave the base until the ball is batted. The first infraction will be a warning to the team; the next infraction (& subsequent) will cause the runner to be called out. **NO SECONDARY**

LEADS.

29. **The pitcher's helper must wear a helmet and a heartguard.** The pitcher helper must have one foot in the dirt around the pitching mound, and he cannot position himself in front of the pitcher.

30. The coach pitching needs to leave the field of play once the ball is batted. They should cross the either the 1st or 3rd base line away from the hit. **The coach pitching is NOT ALLOWED to shout instructions to his runner/runners during the play.**

GAME RULES

31. In order to speed up the game, the speedy rule will apply for the catcher on base. This rule applies to the player who will be playing the Catcher position in the next defensive inning **ONLY**. If the Catcher is on base, with two (2) outs, he can be replaced with another runner. The runner, who substitutes for the catcher on base, will be the player who made the last out. The base runner that is replaced **MUST** catch the complete next inning (assuming no injury).

32. A 6 run limit will be in effect for all innings except for the **6th** inning (or extra) only, which has no limit.

33. Infield fly rule **will not apply**.

34. Dropped 3rd strike **will not apply**.

35. Leads offs and stealing will **not apply**.

36. You may tag up on caught fly balls.

37. There will be no completely replayed games. If the game has gone at least four (4) innings, then it will constitute a complete game. $3\frac{1}{2}$ innings, if the home team is ahead.

38. If a game is suspended in the middle of an inning due to weather or darkness and has completed the minimum number of innings to constitute it as a completed game, then the result of that game will revert to the previous full inning played.

39. **Stopping the lead runner** – play will continue until the **UMPIRE** calls timeout. Defensive players must be granted a timeout to stop the progress of the base runners. Until the umpire calls timeout, all base runners may still advance. The umpire will call timeout, when the forward progress of the lead runner is halted by the actions of a defensive player, **and** the defense is not attempting to make a play on the base runner. This does not require a step back to the base. Once the forward progress of the lead runner is halted and the umpire calls timeout, all base runners that are not at least halfway to the next base, must return to the previous base. **AN OUTFIELDER MAY NOT CALL TIMEOUT, REGARDLESS OF HIS POSITION ON THE FIELD.**

40. **The mandatory slide rule** is in effect for all close plays at **ANY** base/home plate. A player not sliding may be considered out in the judgment of the umpire, and the play is considered dead. Once the play is considered dead, all other base runners must return to their previous base and may not advance. Base runners attempting to score must slide at home plate unless in the umpire's judgment, contact is not likely without sliding.

41. **No head first slides**, except to go back to a base already passed.

42. Interference:

a. A coach cannot touch or assist a player between the bases during a play. This is an automatic out.

b. Base runners who intentionally interfere with the defensive player will be called out.

c. Defensive players must remain out of the base paths and not block bases or home plate.

If a Defensive player interferes with the base runner or intentionally blocks a base or home plate, the player is automatically awarded the base he was heading towards.

43. **Over Throws.** Over throws that land in out of play territory shall result in the base runner(s) advancing only one base.

44. **Injured Base Runner.** The last player to make an out will replace any player sustaining an injury while running on base.

45. **Tournament seeding tie breaker rules:**

- A. Win-Loss Record.
- B. Head to Head
 - 1. Two teams **OR**
 - 2. If there is a three or more team tie, and no team defeated every other team head-to-head, then it moves to next tie break rule of Fewest Runs Allowed **OR**

- D. Highest Run Scored for all pool play games
- E. Coin Flip
